## Analysis

|            |                |              |             |
|------------|----------------|--------------|-------------|
| <b>Oil</b> | <b>Protein</b> | <b>Fibre</b> | <b>Ash</b>  |
| <b>3.8</b> | <b>18</b>      | <b>8.9</b>   | <b>8.10</b> |

Our Trace Element supplement contains Selenium Selenite, for efficient uptake, and ensures that ewes receive high levels of Manganese, Cobalt, Iodine and Zinc which are essential for health and productivity for ewes and lambs.

All our feeds use only quality, properly researched, ingredients at meaningful levels. We use molassed Beet Pulp for ewe health, sugar content and palatability.

## Qualities of Feed

Essential minerals / vitamins / trace elements:  
(150iu/kg Vitamin E + 0.5 mg/kg Selenium)

- BENEFIT**
- High flock health status
