A high quality tup roll to improve sperm production. Mineralised to reduce the risk of urinary calculi with high levels of quality protein and anti-oxidants. Ideal for feeding on the ground to minimise contact which can foster aggression and spread infection. For full advice contact ECV Animal Nutrition.

Analysis

Oil	Protein	Fibre	Ash
4.20	24	6.3	9.3

Our trace element supplement ensures that tups receive the necessary levels of manganese, cobalt, iodine, zinc, 150iu/kg of vitamin E and a full range of vitamins including folic acid.

All our feeds use only quality, properly researched, ingredients at meaningful levels.

Qualities of Feed
