A high energy roll for suckler cows suitable for feeding on the ground. Feed along with forage as part of a controlled diet. Contains extra selenium vitamins and trace elements. Do not feed to sheep. For full advice contact ECV Animal Nutrition.

Analysis

Oil	Protein	Fibre	Ash
4	16	7.9	9.10

All our feeds use only quality, properly researched, ingredients at meaningful levels. 2kg of Suckler Cow Rolls provides the optimum level of Magnesium to help prevent staggers, sustain high yields, good herd health and maintain fertility as part of a balanced diet. Suckler cows and calves are valuable and deserve more than cheap Magnesium carriers.

Qualities of Feed

		BENEFIT
Outstanding content of minerals/vitamins/ and trace elements	→	<ul style="list-style-type: none"> Assists herd health Boosts fertility
